Safety Procedures

Despite the reduced risks of COVID-19, we will still be taking strict measures to keep everyone safe and happy. All staff and children will start the day with a temperature check and hand sanitizing. Masks will be mandatory for staff, and for campers will be encouraged but not mandatory.

This will be an entirely private event, so only the small summer camp group & parents will be allowed in the building, no outside guests or members of the public will be permitted. For the safety of everyone involved, If you think you or your child may be exhibiting symptoms please do not attend this event.
